

BRITAIN NEEDS REFORM

Reform UK stands for real change, putting local people first. We fight for lower council tax, safer streets, and accountable leadership. Unlike others, we prioritise your concerns over party politics. On May 1st, vote Reform to challenge wasteful spending, support businesses, and restore common sense in local government.

Law-abiding people should be able to live without fear. We will recruit dozens more community officers and reclaim our streets. We will hold failing police forces to account. No more politically correct woke policing.

3.

Too often local people go to the back of the queue. We will fight against government rules and put local people at the front of the queue.

2.

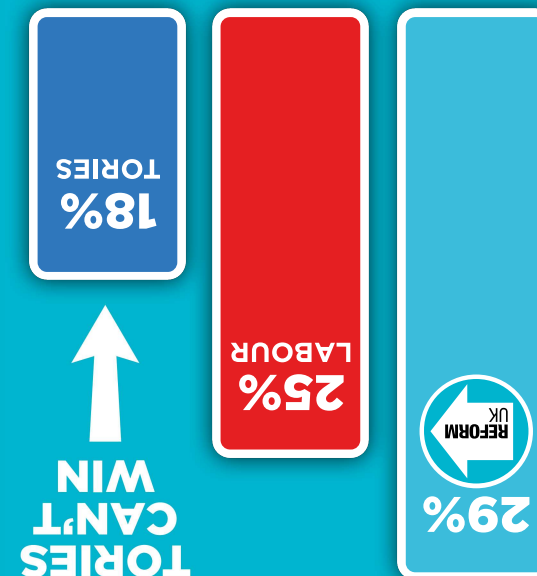

No more 200k salaries for incompetent bosses. Stop rip-off charges from private contractors and agencies. No more politically correct, 'woke' nonsense. A Reform run council will make less money go further.

DURHAM IS BROKEN REFORM WILL FIX IT

Dear Local Resident,

Our names are Matthew Burnard and Sean Healy, and we are standing for election in Durham as your Reform UK candidates.

Like you, we are frustrated with the state of our local area. Our community deserves better than the broken promises, wasted money, and poor services that we've had to endure under the same old parties.

Reform UK is here to change that. We believe in putting local people first, delivering real results, not just empty words.

Three issues we believe are important to highlight are:

- SLASH COUNCIL WASTE
- SOCIAL HOUSING FOR LOCAL PEOPLE
- ZERO TOLERANCE ON CRIME AND ANTI-SOCIAL BEHAVIOUR

Durham County Council is broken, and it's clear that the same tired politicians won't fix it. Reform UK is the fresh alternative focused on common sense policies, cutting waste, and making sure your hard-earned money is spent wisely.

If you want real change in Durham County Council, vote Reform UK on 1st May. Together, we can take back control of our local area and make it work for the people, not the politicians.

We hope we can count on your support to be strong voices for our community.

Best wishes,

Matthew Burnard | Sean Healy
